# Permission needed for your child's student account

Hi parents,

This year, students will get their own student accounts on ClassDojo to document and share their classwork. I'll also use ClassDojo to message you and post announcements. It's the easiest way for you to see what your child is working on and to get in touch with me.

With their student account, your child will share what they're learning through photos, videos, and journal entries on their own Student Story. This Student Story can only be seen by your child, you, and me, and I will approve all posts before you can view them. Your child will also be able to view their feedback from class and also general class-wide and school-wide announcements made on Class Story and School Story. If your child is under 13, I need your consent to create your child's student account on their behalf - **please sign below!**

Our class goal is for every family to **fill out and return the slip as soon as possible!**

**Yes, I give permission for you to create a student account for my child and allow my child to use ClassDojo in the classroom and for ClassDojo to collect, use and disclose the information about my child as set forth in the ClassDojo Privacy Policy**

# The ABC's of Fourth grade

**A** If your child is ABSENT, please call the Attendance Line at 719.495.5232, so that the school is aware. If you are not able to call, a note stating the reason for the absence is required to avoid an unexcused absence.

Our class will have art as part of the Enrichment rotation.

**B** Breakfast is served each weekday, from 7:45-8:00am. For more information regarding breakfast please contact the school office at 719.495.5232.

If you would like to send birthday treats with your child on or near his/her birthday please feel free to do so. These treats will be shared during our morning meeting time, 8:00-8:10am. If you prefer, you are welcome to bring a treat for your child during his/her lunch time. We have lunch from 12:25-1:05. As always, please be sure there is enough to share with the entire class and please store bought treats ONLY with no peanuts! We have twenty-seven students.

I will send home **B** ook order forms for you and your child to look over every month. Book Clubs offer books at reduced prices. It's a great way to build your child's library.

**C** We will have Parent and teacher conferences in October and February. More information will be sent home later. Watch for information and reply accordingly.

A monthly calendar will be sent home for your child to track his/her daily reading. He/she should be reading about 20 minutes each day.

**D** Discipline is simple. We work together as a class to make the classroom a positive and safe place for all. Our class will be using a 3 color system, to help students monitor their own behavior.

Green=I had a good/great day!

Yellow=I need to work on making better choices.

Red=I had difficulty making good choices today.

**E** My school email address is: amartin@d49.org

**G** Here at Bennett we work hard to be green.

We recycle in the classroom and throughout the school. We are very excited about our efforts.

**H** Your child will bring homework home each night, and school information on Thursday. Homework will be sent home in the Thursday folders and unless otherwise noted. Please return homework the following Wednesday.

**I** Independence is a goal for students, because it builds self-esteem and self-confidence.

Fourth graders are very capable of doing most things on their own and I encourage them to do as much as they can for themselves in the classroom.

**J** Writing takes place every day in fourth grade. One way to accomplish this is through writing in our Journals.

**K** Keep updated by checking the classroom website and by checking Thursday folders for other notes and information.

**L** Our class will visit the library. Your child will check out 2 books during this time and return them at our next visit. If you want your child to take home the book, please send a note via email/Thursday folder stating so.
